**Web Press Corporation hires VP, expands board of directors & fills sales slots**

Web Press Corporation announces the appointment of Mr. Barry Allan as the Vice President of its European division. Mr. Allan, who resides in Scotland, has proven to be a valuable asset to the USA based company as one of the top sellers of Web Press equipment world-wide. His broad based knowledge of WPC's equipment stems from years of working not only in sales, as a pressman, installer, and service technician.

"Barry's expertise of our equipment is impeccable. He knows what it can do and how to make it run perfectly. We are very pleased to have Barry as part of our management team," states Mark Ricca, President.

Barry has also been appointed to sit on the board of directors of Web Press Corporation. Also newly appointed is Mr. Bernie Molinski, a current WPC employee.

The sales division of WPC has recently bolstered its sales force by hiring additional employees and re-appointing others to new areas. The current sales department is headed up by Roy Thompson, National Sales Director. Sales Executives and their territories include: Ken Hamel, Northeast; Phil Egner, Southeast; Mike Duffy, North Central; Mike Collins, South Central; Ed Beierlorzer, Northwest; and Bernie Molinski, Southwest. Particulars on the states and provinces included in each region can be found at the company website.
