

In Memory of Grant Dickinson

It is with great sadness that we report the death of Mr. Grant Dickinson, Sales Executive for Web Press Corporation. Grant passed away at his home in Charlotte, North Carolina, after a brief illness.

Grant began working with Web Press Corporation in February of 1981 selling web-offset equipment to press users in the South East area of the United States. Grant made many dear friends and acquaintances over the past 25 years. By representing Web Press at trade shows across the country, Grant spread his charm and influence far beyond the boundaries of his assigned territory. His expert knowledge of the industry gained him great respect with his coworkers and customers alike.

Grant will be greatly missed by his friends at the Web Press Corporation office, and at his office in Charlotte. Grant was known for his love of horses. Each Christmas we will miss opening that one card with a horse that instantly let us know it was from Grant.

A memorial service in his honor will be held on Tuesday, October 10th at 11:00a.m. at the Maddux Funeral Home, 338 E. Nashville Street, Pembroke, KY 42266. A “condolences website” will be set up by the funeral home. This information will be added on the Web Press Corporation (www.webpresscorp.com) website when it is available.

Grant is survived by three children (Todd, Cindy, and Angie), a sister, Dianne, two brothers, Dale and Alan, and 9 grandchildren.

Donations in his memory can be made to: The Horseman’s Benevolent & Protective Association (<http://www.hbpa.org/DonationsDisplay.asp>) or to the North American Riding for the Handicapped Association, Inc.
