#### HOUSTON COMPANY CLOSES DEAL FOR NEW PRESS LINE

VN Printing, Houston, Texas, has completed the order for a new press line to be delivered in September. The purchase includes a WPC 4125 folder, 2 Quad-Stack units and other related equipment. The order is part of the expansion package for VN's new printing facility.

The Quad-Stacks will be equipped with double oscillators, narrow gap lock-ups and larger ink fountains.

The folder, which will be twinned with the folder in another line, is also being equipped with a commercial quarter fold package and seam moistener.

Installation is scheduled for early in the 4<sup>th</sup> Quarter.

Additional recent USA purchases of Web Press Corporation equipment include Quad-Stack purchases by Welch Publishing Company (Rossford, OH); PN Printing /Daily News, Bogalusa, LA (a Wick Communications property); and Quadra Color purchases by Cookeville Newspapers, Inc., Cookeville, TN and Cleveland Newspapers, Inc, Cleveland, MS.
